COLUMBUS MONTE-CARLO IS PLEASED TO ANNOUNCE THEIR FIRST SHE TRAVEL CLUB AWARD!

She Travel Club, the label which aims to make hospitality better for women and improve women's travel experience around the world, has announced the winners of their first 'Best Hotels for Women' awards this Monday, March 6th.

The purpose of this event is to reward hotels which best meet the needs of women travellers by providing optimal comfort, service and safety while encouraging commitment to sustainability, social responsibility, and the promotion of gender equality.

The winners were elected according to two criteria:

- Highest guest ratings within the SHe Travel Club label
- An anonymous survey on criteria of safety, parity, comfort and training, among others was sent to Human Resources and to three employees of each hotel

Labelled "SHe Travel Club" since 2022, Columbus Monte-Carlo is honoured to have been nominated for the Awards; we are even prouder to announce that we have won the award for the best 3-star hotel. We would like to thank the SHe Travel organization for this recognition. We believe in the importance of this subject and chose to join the club shortly after its launch as it is in line with our values and our ability to create a unique travel experience for women.

Our location in the Principality places us in one of the most secure environments. In addition, we offer many services related to the well-being of women, in particular with our Baby Moon offer dedicated to future mothers or our shuttle services to facilitate your journeys as a solo woman traveller.

We also thank all our clients for their trust and their support. We look forward to welcoming you to the Columbus Hotel for a truly unforgettable experience.
