“

The Columbus hotel oozes F1 history, and has an informal, relaxed but exciting atmosphere, especially during the Monaco grand prix time. The staff are very welcoming and enthusiastic, and it is the perfect hotel for fans to enjoy the full grand prix experience. It is so fascinating and exciting to see F1 drivers and their teams staying at the hotel, along with past F1 legends such as Niki Lauda and Damon Hill, sitting having breakfast at a table near you...and you never know who you will bump into in the lift! We love it.

“

The Columbus hotel is situated in a pretty area of Monaco with the Princess Grace gardens opposite. There is easy access to the local buses or heliport or a short walking distance to Monte Carlo. Or if you prefer, the shuttle bus, which will take you exactly where you want to go. To be able to fall asleep in a quiet room with a comfy bed is the most important thing to me. Buffet breakfast with a large variety of options means I can have a different breakfast every day. What makes this hotel special is the staff, everyone of them takes good care of you, which makes your stay the best it can be.

From the moment you walk through the doors you immediately feel at ease with your new environment. As a guest you'll experience a genuine level of care & professionalism that is REAL! - the hotel staff are clearly proud of their hotel and the happiness and wellbeing of their guests matters to them! The Columbus is truly a hotel for all seasons, all events and all occasions - but during the Grand Prix in May - there is no better place! It remains the chosen venue for teams, drivers, mechanics and the wider Formula One community. Choose the Columbus - built on pride & reputation, consistently delivering on performance and with a true 'Motorsport Soul' - you won't be disappointed!
